

# Adding Additional Catalog Information Using the Course Detail Information

## Purpose

Once you have entered your basic course information into SCACRSE, you can use the Course Detail Information Form (SCAETL) to add more specific details to the course.

This can include:

- co-requisite courses
- equivalent courses
- fees
- attributes
- course text for specific courses
- supplemental data
- transfer institution agreement information

Course Detail Information SCAETL 8.2.1 (TRNG)

Subject: ENG English Course: 101 Term: 200730  
Course Title: COLLEGE WRITG I

Corequisites and ... Fee Codes Degree Attributes Transfer Institutions Supplemental Data Course Description Course Text Integration Partners

**Corequisite Course**

From Term: 200730 Maintenance To Term: 999999
