

SFASRPO Student Registration Permit Override

This screen allows you to see if a student has been given an override to allow him/her to register for a class that he is blocked from either because it is closed or has a restriction on it. It will also display the student's class schedule for the semester entered. You must enter the student's BID (Banner ID). If you do not know the BID enter the student's last name. If you wish to enter the student's first name also, you must put a comma between the two names. Hit Enter. You will get a drop down list of all the students who meet the criteria you entered. If there is only one, the info will be filled in at the top of the screen. The semester must be entered in the following format yyyytt where y=year and t=term. If you want to see information for spring 2008 you would enter 200810; for summer you would enter 200820; and for fall you would enter 200830. Click on Next Block or Ctrl+PgDn.
